

# CHRIST THE KING NOVENA

Lord Jesus Christ, King of the Universe, ● You triumphed over sin and death ● and opened the kingdom of heaven to all who follow You. ● We beg You to pour out Your healing love ● upon all who have suffered abuse. ● Bring them healing, Lord, ● in mind, body, soul, emotions, and memories.

Give them the grace to forgive ● and to be made new in Your love. ● Where there is fear, Lord, ● let them find peace. ● Where there is shame, ● let them experience respect and dignity. ● And may their ● abusers face timely justice.

Lord, we know that by Your Cross ● evil no longer reigns in this world; ● help us to live as a people of hope, ● trusting in Your power to heal, purify, and protect. ● Amen.
